**Alex Ritchie**

Executive Director

Rocky Mountain Mineral Law Foundation

Alex Ritchie serves as the Executive Director of the Rocky Mountain Mineral Law Foundation, a collaborative, educational, non-profit organization dedicated to the scholarly and practical study of the laws and regulations relating to mining, oil and gas, energy, public lands, water, environmental and international law. Through their educational programs, the RMMLF brings together lawyers, landmen, managers, consultants, government personnel, law faculty, students, and others involved in

minerals, oil and gas, water, and other resources.
