GWC Advisory Council

Eli Feldman

President

Conscience Bay Company

Eli Feldman is the president and founder of Conscience Bay Company. His experience ranges broadly across commercial real estate, environmental remediation, renewable energy, water rights and ranching operations. Eli is proud to serve on nonprofit and government boards including Western Resource Advocates, Woodchuck Ditch Company, Alfalfa Ditch Company, and the City of Boulder's Downtown Management Commission. Eli graduated from Hamilton College in 2000 and the

University of Colorado School of Law in 2005.
