**for Natural Resources, Energy, and
the Environment at Colorado Law**

GWC Advisory Council

Lance Astrella

Attorney

Astrella Law, P.C.

Lance Astrella has concentrated his practice in the area of energy and environmental matters for nearly forty years. Mr. Astrella has been a member of the state bars of Colorado and California since 1974. He received his bachelor's degrees in chemistry and economics from California State University at Chico, a master's degree in economics from the University of California at Davis, and his doctorate of jurisprudence degree from the University of the Pacific McGeorge School of Law in Sacramento.
