GWC Senior Fellow

Doug Kenney
Former Western Water Policy Program Director
Getches-Wilkinson Center
University of Colorado School of Law

Doug Kenney has been with the Natural Resources Law Center/GWC since 1996. He researches and writes extensively on several water-related issues, including law and policy reform, river basin and watershed-level planning, the design of institutional arrangements, water resource economics, and alternative strategies for solving complex resource issues.

Dr. Kenney has served as a consultant to a variety of local, state, multi-state, and federal agencies, including several Interior Department agencies, EPA, the US Forest Service, and special commissions (e.g., the Western Water Policy Review Advisory Commission); and national governments and non-governmental organizations in Asia and Africa. Additionally, he has made presentations in (at least) 21 states (and the District of Columbia), 8 nations, and 5 continents.
